# HOPE for Animals

## Record Number of Surgeries done in 2014

Thanks to your support, **10,805** animals were spayed or neutered at HOPE for Animals in 2014! These surgeries prevented thousands of unwanted puppies or kittens from being born and possibly taken to the shelter. With your support, we can make 2015 have a bigger impact than 2014 with a [donation](#) of \$20.15. Thanks to you, we are on our way to making Fort Wayne an animal-friendly city.

## FREE Community Cat Shelters

With winter being here hundreds of cats will need shelter to stay warm. If you are in need of a shelter for your outdoor community cat please call our hotline at 260-440-8893. Learn how to build your own cat shelter on our [website](#). Please [contact us](#) if you have any questions.
