H.O.P.E. for Animals

Meet Our New Director

We are excited to welcome Allison Miller to H.O.P.E and want to share some of her amazing background that she now brings to our organization. Allison's commitment to this community, her passionate advocacy for animals, and her goals of working closely in the established animal welfare coalition in Fort Wayne all combine with her remarkable experience to move H.O.P.E. in new and exciting directions! When Allison is not at H.O.P.E, she is busy with her wonderful husband Paul and their three rescued pets; Roxy, a sweet 13yr old Standard Poodle; Bodacious, an 11yr old goofy French Mastiff; and Angus, a rowdy and talkative cat! [Click here](#) to learn more about Allison Miller and to hear some words from our previous director Madeleine Laird.

Free Surgeries for Community Cats

During the month of April, H.O.P.E. for Animals will offer FREE spay and neuter surgeries, rabies vaccines, microchips as part of "[Community Cat](#)," PetSmart Charities' spay/neuter campaign to alter free-roaming cats. Residents feeding free-roaming cats who wish to take advantage of this offer must mention the "Community Cat" campaign when scheduling their appointment. Appointments are based on availability and are open to everyone of any location. All Community Cats will receive an ear-tip during surgery. For more information or to schedule an appointment call 260-420-7729.

Ready, Set, Snuggle

H.O.P.E. for Animal's [Ready, Set, Snuggle Laundry Drive](#) has started. We are aiming to raise \$6,000 to purchase two new sets of washers and dryers. It is important to us that every animal has a comfy, clean blanket to lay on after surgery. H.O.P.E. does on average 40 loads per week and needs to do around 60 to keep up. Your [donation](#) will allow us to continue to help over 10,000 animals each year throughout the Great Lakes Region. All donations are tax-deductible. Thank you in advance.

Flea Season is Here

Make sure your pet is on a monthly flea preventative so the bugs don't infest your pet or house. We have Parastar, Easy Spot and Revolution (cats) for sale at the H.O.P.E. Clinic. You can walk in during normal business hours and pick some up (no appointment needed) or get some while updating your pet's vaccines at our [wellness clinic](#). We are open Tuesday-Friday 8am-5pm or Saturday 8am-2pm and are located at 1333 Maycrest Drive in Fort Wayne.

Kroger Community Rewards

Join our [Kroger Rewards Program](#)! It's FREE TO YOU and means donations for H.O.P.E.! Simply register your Kroger card at www.kroger.com/communityrewards and every time you shop, Kroger donates to us! It's simple and it's another great way to support H.O.P.E. for Animals.
